Summary

Since 1977, Coffee Lounge has been a favoured haunt of Singaporeans and tourists, who enjoy its authentic local fare and international favourites. Housed in the prominent Grand Tower wing of the hotel which was gazetted a national monument in 1989, it was revamped in 2007 and now welcomes guests to classic and contemporary surroundings with the same stellar cuisine and service that have garnered many fans over the years. Perennial favourites like the local high tea buffet and Taiwan Porridge remain. The local degustation menus were also introduced then and quickly became popular with many locals and foreigners alike.
